

HJ Andrews Experimental Forest Long-Term Ecological Research (LTER)

2016 Symposium: "Stories Only Time Can Tell"

9 AM - 2:30 PM, Friday, May 13th, 2016
Memorial Union, Oregon State University Campus

Hosted by the Andrews Forest Long-Term Ecological Research Program. The event is free
and open to the public.

AGENDA:

9AM - Noon: Morning Talks - Horizon Room, Memorial Union Room

9:00 - 9:10 AM	Welcome and introductory remarks. Chris Still, Associate Professor, Department of Forest Ecosystems and Society, OSU
9:10 - 9:30	"The new abnormal: Lessons from long-term observations of vegetation." Mark Harmon, Richardson Chair and Professor, Forest Ecosystems and Society
9:30 - 9:50	"Eight centuries of environmental variability and synchrony in western Oregon forests" Bryan Black, Associate Professor, Department of Marine Science, University of Texas at Austin
9:50 - 10:10	"The leaking forest: a story about streams and nutrients." Alba Argerich, Assistant Professor, Senior Researcher, Department of Forest Engineering, Resources & Management, OSU
10:10 - 10:30	"Long-Term Ecological Reflections: Stories for the Long Haul." Charles Goodrich, Director, The Spring Creek Project for Ideas, Nature and the Written Word, OSU
10:30 - 10:40	Break
10:40 - 11:00	"Once upon a time, a scientist met a manager and a magical relationship was born!" Cheryl Ann Friesen, Science Liaison, Willamette National Forest
11:00 - 11:20	"Decoding watershed history from environmental records." Francisco Guerrero-Bolano, PhD student, Sustainable Forest Management, College of Forestry, OSU

11:20 - 11:40	"Can forest structure buffer biodiversity against climate change?" Matthew Betts, Associate Professor of Landscape Ecology, IWFL Professor of Forest Biodiversity Research, Dept. of Forest Ecosystems and Society, OSU
---------------	--

11:40 - Noon	"Long-Term Ecological Research meets Traditional Ecological Knowledge: from Metaphysics to Ethics." Michael Paul Nelson, Andrews Forest LTER Lead PI, Ruth H. Spaniol Chair of Renewable Resources, Forest Ecosystems and Society
--------------	--

**Noon - 2:30 PM: Poster session and Lunch - OSU
Memorial Union Multipurpose Room (east end of
basement floor, just below where talks are held)**

**2:00 PM: Tour of "Heartwood: Inquiry and
Engagement with Pacific Northwest Forests," a forest
exhibit in the OSU Libraries and Press Special
Collections and Archives Research Center.**
